Calculator and Quick Reference Guide: Liquidity (Acid Test or Quick Ratio) Please use the following calculator and quick reference guide to assist you in evaluating liquidity from business returns. It provides suggested guidance only and does not replace Lender, Investor or GSE instructions or applicable guidelines. Please note all lines referenced below are from the applicable business return's Schedule L. If a Partnership did not complete a Schedule L (check Form 1065, Schedule B, Question 4 to verify one was not required), you cannot calculate liquidity from the tax form. Liquidity (Acid Test or Quick Ratio) 2023 2022 1	Borrow	ull functionality, download PDF first before entering data. Please download before lation as calculators are updated periodically. Disclaimer

The Liquidity Calculator, provided by Enact Mortgage Insurance, assists in analyzing whether the borrower's business may have the ability to meet immediate debt obligations with the cash or cash—equivalent assets available, using values from the business's balance sheet. Schedule L of the business return and/or current balance sheet solvency is one of many indicators that should be considered when evaluating the current health of a business. This calculator provides suggested guidance only and does not replace Lender, Investor or GSE instructions or applicable guidelines.

IN NO EVENT SHALL ENACT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OF ANY KIND WHATSOEVER WITH RESPECT TO THE USE OF THIS CALCULATOR.

This calculator can be found at https://EnactMl.com/self-employed-borrower-calculators.
