## Enact Mortgage Insurance Receives 2022 Mortgage Bankers Association DEI Residential Leadership Award

Enact wins Diversity, Equity, and Inclusion Residential Leadership Award for Organizational Diversity, Equity, and Inclusion

**RALEIGH, N.C., October 24, 2022 – Enact Holdings, Inc. (Nasdaq: ACT) (Enact)** a leading provider of private mortgage insurance through its insurance subsidiaries, continues to lead the mortgage and housing industry forward through innovation, service, excellence, and top talent. Enact was awarded the Mortgage Bankers Association's Residential Diversity, Equity, & Inclusion Residential Leadership award in the category of Organizational Diversity, Equity, and Inclusion.

The Mortgage Bankers Association (MBA) DEI Leadership award aims to recognize MBA members who have developed innovative ways to foster DEI efforts within their organization and highlight leaders within the area of DEI in the real estate finance industry.

President and Chief Executive Officer Rohit Gupta said, "It's an honor to be recognized by the Mortgage Bankers Association as a 2022 recipient of the Residential DEI Leadership Award. Over the past two years, Enact has expanded its diversity, equity, and inclusion initiatives to not only increase diversity in the mortgage industry, but also make homeownership more accessible for underrepresented communities. We have formed new partnerships, created innovative recruiting programs, and recently announced an expansion to our nontraditional credit guidelines that will help address the minority homeownership gap. We're pleased to share in this recognition alongside other industry leaders."

Enact, then Genworth Mortgage Insurance, previously won this award in 2018. Enact also was awarded a Bronze Stevie® in the category of Achievements in Diversity & Inclusion in the Stevie Awards for Great Employers program earlier this year.
