Enact Chief Analytics Officer Named to AI 100 List

Alex Kudman recognized as a Top 100 Data and Analytics Leader

RALEIGH, N.C., October 24, 2023 – Enact Holdings, Inc. (Nasdaq: ACT) (Enact) a leading provider of private mortgage insurance through its insurance subsidiaries today announced that Alex Kudman, Chief Analytics Officer, was recognized by **AIM Research's AI 100 Award**.

The award recognizes leaders who guide their organizations to be data driven. Alex was selected for his outstanding leadership and dedication in driving Enact's technology and analytics transformations. He stands out because of his rich expertise in quantitative analysis, financial modeling, pricing, and implementation as well as his commitment to data modernization.

"Alex is incredibly knowledgeable and an invaluable asset to Enact as we continue to expand the use of data to better serve our customers," said Brian Gould, Chief Operations Officer at Enact. "His results speak for themselves. We are glad to have him leading our analytics team and helping guide our organization toward future success."

Alex has significant experience that spans various data and analytics roles across the mortgage industry. He joined Enact in 2011, holding several positions where he helped evolve every phase of the analytics maturity curve and established the company's advanced analytics, data science, resource optimization and data management teams. He was promoted to Chief Analytics Officer in 2021 and is currently responsible for overseeing the strategic roadmap to leverage the company's analytics through various sources to execute critical initiatives across the organization.
