## Enact Mortgage Insurance Named to National Mortgage Professional's 2023 Diversity Leaders

### Enact Recognized Again for DEI Efforts in the Mortgage Industry

**RALEIGH, N.C., February 09, 2023 – Enact Holdings, Inc. (Nasdaq: ACT) (Enact)** a leading provider of private mortgage insurance through its insurance subsidiaries, has been named one of National Mortgage Professional's 2023 Diversity Leaders.

This award honors companies in the mortgage industry that have demonstrated a clear commitment to diversity, not just through words and policies, but through action. Award recipients are not only promoting diversity within their own companies, but across the mortgage industry and in the communities they serve.

"We are committed to using our resources to support a better, more equitable community. We have expanded our diversity, equity, and inclusion initiatives over the past few years to not only increase diversity in the industry, but also to make homeownership more accessible for underrepresented communities." said Rohit Gupta, Enact President and Chief Executive Officer. "Change doesn't happen overnight, but we are proud of the work we have been doing, and honored to be recognized for our efforts."

This recognition follows three diversity award wins in 2022, including:

- A Bronze Stevie in the category of Achievements in Diversity & Inclusion in the Stevie Awards for Great Employers program
- Mortgage Bankers Association Residential Diversity, Equity, & Inclusion Leadership award in the category of Organizational Diversity, Equity, and Inclusion, and
- Profiles in Diversity Journal's Innovations in Diversity award

In 2023, the company has goals to continue this important work and expand its effort to make the mortgage industry more inclusive and help close the minority homeownership gap.
