Premium Plans

Monthly Premium MI is a payment option which features a coverage term of one month; premiums are remitted monthly. The premium rate shown is the annualized first year and renewal premium rate. To determine the monthly premium, multiply the premium rate by the loan amount and divide by 12.

Zero Monthly Premium MI is a payment option which features monthly premium rates (see Monthly Premium MI) that are billed one month in arrears; no initial premium required at closing to activate coverage.

Level Annual Premium MI is a payment option which features a coverage term of twelve months; premiums are remitted annually. The Level Annual option features one identical rate for both first year and renewal premiums. The first-year premium may be financed into the loan amount.

Single Premium Lender Paid MI (LPMI) One-time premium payment provides coverage for the life of the loan.

Single Premium Borrower Paid MI (BPMI) One-time premium payment provides coverage that remains in effect until cancelled in accordance with federal and state cancellation laws or investor requirements.

Split Premium MI is a payment option that features lower monthly rates combined with an upfront premium due at closing.

Temporary Buydown: Loans with temporary interest rate buydowns are considered Fixed Payment Loans when the permanent payment terms of the mortgage instrument reflect the definition above; all other loans with temporary interest rate buydowns are considered Non-Fixed Payment Loans.

Renewal Premiums

For constant renewals:

- Monthly, Zero Monthly, Level Annual and Split Premium MI: The renewal premium rate is applied to the original loan balance for years 1 through 10.
- For years 11 through term, the rate is reduced to 0.20% or remains the same if the rate is less than 0.20%.

For declining renewals:

The renewal premium rate is applied annually to the outstanding loan balance for years 1 through term. The loan balance is adjusted annually on the anniversary of the loan close date.

Refund Options

Non-Refundable BPMI: For non-refundable Premium Plans, no premium will be refunded when coverage is cancelled, unless cancelled under the Homeowners Protection Act of 1998. HPA Cancellations will result in a refund of unearned premium; Single Premium and Upfront Premium of Split Premium use Refund Schedule F; refunds for all other premium plans are pro-rata based on term of coverage.

Monthly and Zero Monthly, Level Annual and Monthly Premium of Split Premium Refundable BPMI: Premiums are refunded on a pro-rata basis.

Single Premium MI Refundable BPMI: Premiums are refunded according to the LTV/Term Based Refund Schedule. Subject to state approval.
