Genworth's Response to the GSEs' Updated Guidance Related to COVID-19

The GSEs have released updated guidance related to COVID-19. Genworth will continue to align in support of the GSEs' temporary measures and flexibilities as communicated in the updated announcements.

The GSEs' temporary policies have been extended from **May 17, 2020** and will now apply for loan applications dated on or before **June 30, 2020**. Some highlights of the recent updates are shown below, but refer to the links included for complete details of the GSEs' updates.

- **Furloughs and layoffs**
 - The requirements for income while on temporary leave do not extend to employer-initiated actions such as furloughs or layoffs, regardless of whether there is a projected "return to work" date
- **Unemployment compensation**
 - Unemployment compensation continues to be eligible for use in qualifying only when associated with seasonal employment
- **GSE Owned Mortgages**
 - Both Desktop Underwriter® and Loan Product Advisor® have been enhanced to assist Sellers with identifying if a Mortgage being refinanced is owned by Fannie Mae or Freddie Mac and thus eligible for the COVID-19 appraisal flexibilities

Effective immediately, loans may be underwritten with these flexibilities and will **apply for all Genworth insured loans: Simply UnderwriteSM, Standard, and Peak PortfolioSM Guidelines.**
