

Welcome to Enact’s MI Site

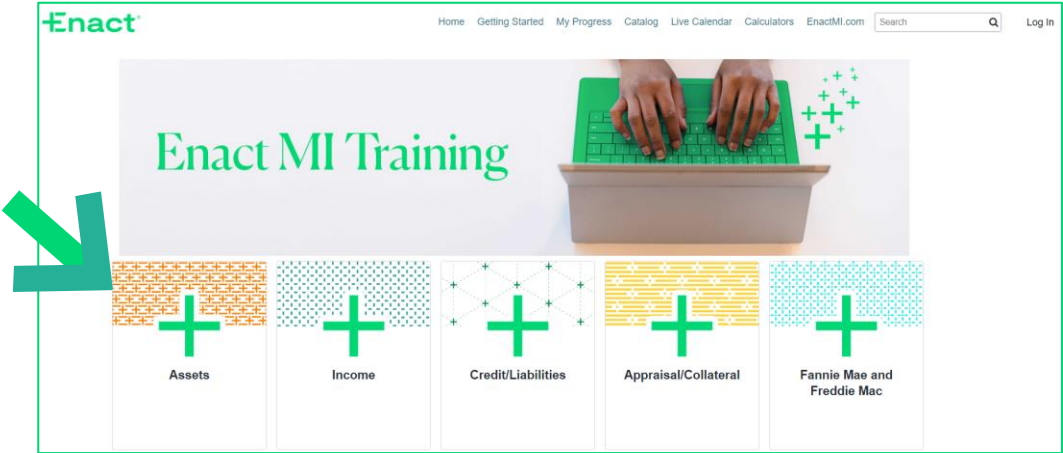

How to Register for Training

To register for training:

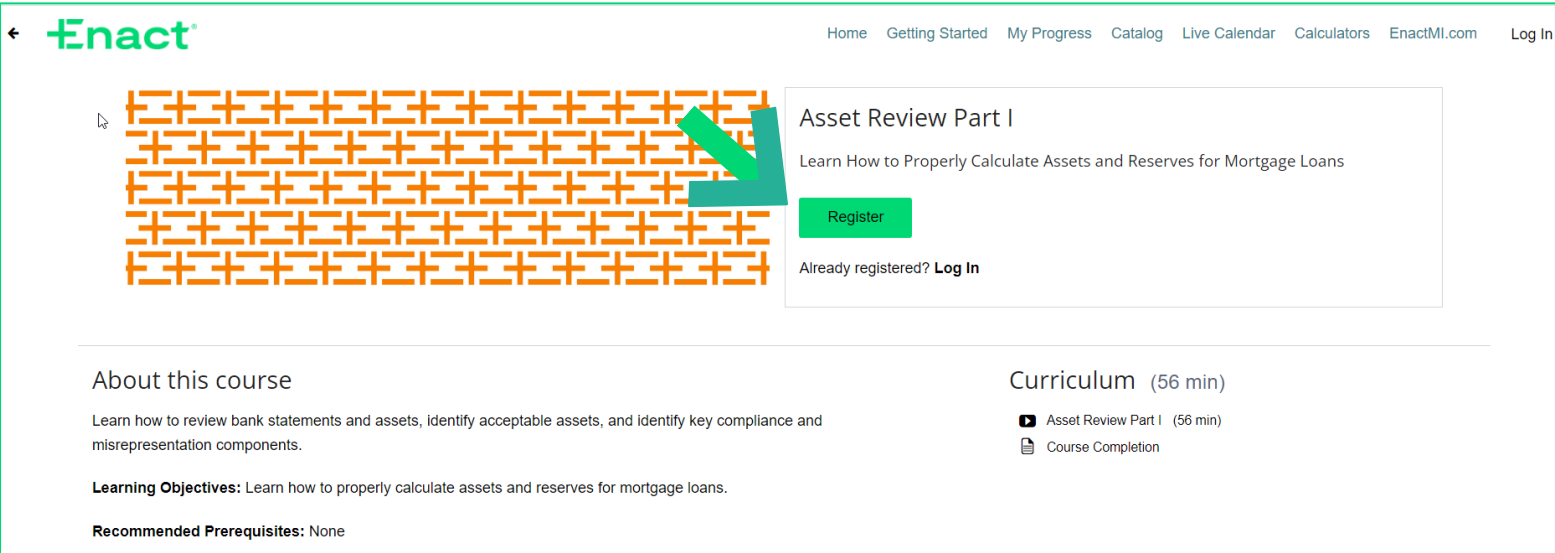

1. The Enact MI Training Homepage can be accessed by clicking “Training” at the top of enactmi.com.

2. From the Enact MI Training Homepage you can browse the categories to view courses.

3. From the course information screen, you can view more information about courses and register for them.

4. Once you click Register, you will be taken to this page. If you have a logon for our website, you can login using your existing username and password in the Returning User section. You will be registered for the content and can now launch the training.

If you do not have a logon for our website, you must register in the New User section. Enter a valid business email address and click **Register**.
